 Dudu
istio is popular 😊

 Juan Esteban Londoño...
very popular and i love it

 Dudu
yis ❤️

 Bart Van Bos
This high level zoom of all envoy config in Istio is AWESOME!

 Jesse Campbell
After a successful POC on 1.8.2, I rolled out a new QA cluster Monday on 1.9. QA Team gave it the thumbs up this morning, and I just finished building the matching prod 1.9 cluster this afternoon 😊

 Bhaskar Reddy
Yeah, Great Talk!!

 Mario Martins
Great Talk Rob!

 Richard Song
loved the talk ❤️

 Mark Ferree
👏 100 meshes very impressive accomplishment

 Juan Esteban Londoño...
wow, great talk 👏

 Carlos Santana
Live Demo 🎥

 Raymundo Escobar
nice!

 Mohammad Banikazemi
👏

 andree toonk
nice presentation and great demo 👏

 Max Valiarovski
👍 helm

 Govindaraj Palanisamy
👍 Multi Cluster Mesh and Enhancement workflow

 Dudu
Awesome

 Ryan Baker
That automation indicator is really cool and really helpful going through the tasks. Thank you for that!

 Dudu
❤️

 Blaize D'souza
Amazing!

 Greg Nilchee
Awesome job Albert. It helped drive home how open the community is for contributing.

 Pierre-Louis Gingembre
Probably one of the best talk, really great content!

 Ankur Kumar
very good session - great to see the details of architecture

zhaohuabing @zhaohuabing · Jan 30

It's amazing that my submission has been accepted by the first **#IstioCon**. I'll talk about how to extend Istio's traffic management to all layer-7 protocols with the help of Aeraki ([github.com/aeraki-framewo...](https://github.com/aeraki-framework)), including Dubbo, Thrift, Redis, etc. See you soon!

rob salmond @phro · Feb 22

Thanks to everyone who worked hard on **#istiocon** for making it dead easy to present my talk.

Slides are here, happy to (try to) answer any questions if I can!

18

Christian Posta @christianposta · Feb 23

Replacing legacy api gateway built on nginx/openresty/luar with a modern proxy built on **@EnvoyProxy** ... yah I've seen that story before :) **#istiocon**
